- Recyclable¹
- Home Compostable³

RECYCLABLES¹

1. Keep loose - do not bag or tie
2. Flatten Kraft board/cardboard
3. Place into your kerbside recycling bin

*Food or grease stained Kraft board/cardboard must be put into:
a. Home Compost Bin OR
b. Council Waste Bin

Notes:

1. Source: Clean Up Australia, www.cleanup.org.au
2. Certified Commercially Compostable to Australian Standards AS4736 in industrial facilities where these exist. This means that the product can only break down in commercial/industrial composting facilities with controlled conditions where the perfect balance of heat, moisture, and oxygen is created to break-down organic and plant-based materials.
3. Certified Home Compostable to Australian Standard AS5810. This means that the product can be placed in a home compost bin where it will decompose naturally within a period of time. Every component and material used in the packaging will break down and decompose into the soil.
